And whereas it is provided by by-law that the nomination for Mayor and Councillors shall be held on the second Monday in January in each year, from 12 m. to 2 p. m., and the polling, if any, on the Thursday following, from 10 a. m. to 4 p. m., and that the Council shall, in the month of December in each year, appoint a returning officer, and shall also name the polling places and otherwise arrange for the holding of the coming election, and that the polling, if any, at such election shall be had and taken at such place or places as the Council shall by by-law appoint; therefore

Be it enacted by the Council of the Corporation of the City of Victoria, as follows:

SHORT TITLE.

1. This by-law may be cited as the "Election By-Law."

INTERPRETATION.

2. The "Interpretation By-Law" applies to this by-law.

PRELIMINARY TO POLL.

3. Whenever a poll is taken at a municipal election, the ballot of each voter shall be a printed paper with

a counter-foil, showing the names and description of each candidate alphabetically arranged in the order of their surnames, or if there are two or more candidates with the same surname, in the order of their first names; the names and description of each candidate shall be set forth in the ballot paper as they have been set forth in the nomination paper; and the ballot paper and counterfoil shall be in the form A in the schedule to this by-law. [No. 20, s. 6, part.]

4. On a poll being proclaimed, the Returning Officer shall—

- (a.) Appoint a Deputy Returning Officer for each place at which the poll is to be taken;
- (b.) Furnish him with a list of the voters entitled to vote at that place;
- (c.) Deliver to him a ballot box made of some durable material, with one lock and key, and a slit or narrow opening in the top, and so constructed that the ballot papers may be introduced therein, but cannot be withdrawn therefrom unless the box is unlocked;
- (d.) Furnish him with a sufficient number of ballot papers (all being of the same description and as nearly as possible alike) to supply the number of voters entitled to vote at that place, and with the necessary materials for voters to mark their ballot papers; and
- (e.) Furnish him with at least ten copies of printed directions, in the form B in the schedule to this by-law.

5. The Returning Officer and each Deputy Returning Officer shall, before acting as such respectively, subscribe and make the declaration of office in the form C in the schedule to this by-law before a Justice of the Peace, and file the same in the office of the Clerk of the Council.

6. Each polling place shall be held in a room or building of convenient access, with an outside door for the admittance of voters; and one or more compartments shall be made within the room, so arranged that each voter may be screened from observation and may, without interference or interruption, mark his ballot paper.

7. Each Deputy Returning Officer shall, before or at the opening of the poll, on the day of polling, cause the said printed directions to be posted up in some conspicuous places outside of his polling place, and also in each compartment thereof.

POLL.

8. Each Deputy Returning Officer shall open and keep open the poll assigned to him on the day and at and during the hours respectively prescribed by law, and shall, during that time, receive, in the manner hereinafter prescribed, the votes of the electors duly qualified to vote at such polling place.

9. In addition to the Deputy Returning Officer, the Mayor and Councillors, and other municipal officers, each candidate and his agent, and no others, shall be permitted to remain in the room where the votes are given during the whole time the poll remains open.

10. Any person producing to the Returning Officer, or Deputy Returning Officer, at any time, a written authority from a candidate to represent him at the election, shall be deemed an agent of such candidate within the meaning of this by-law.

11. At the hour fixed for opening the poll, the Deputy Returning Officer shall, in the presence of the candidates and their respective agents (if present), and such of the electors as are present, open the ballot box and ascertain that there are no ballots or other papers therein, and shall then lock the box and keep the key, and immediately afterwards call upon the electors to vote.

12. Each elector upon presenting himself to vote shall declare his name, surname, and addition; and if the same are found on the list of voters for that polling place, he shall receive from the Deputy Returning Officer a ballot paper, on the back of which such Deputy Returning Officer has previously put his initials, so placed that when the ballot is folded they can be seen without opening it, and on the counterfoil to which he has placed a number corresponding to that placed opposite the voter's name on the list of voters. The Deputy Returning Officer shall instruct the elector how and where to affix his mark and how to fold his ballot paper, but without inquiring or seeing for whom the elector intends to vote, except in the case hereinafter provided for.

13. The elector, on receiving the ballot paper shall forthwith proceed into one of the compartments of the polling place and there mark his ballot paper, making a cross with a pencil on any part of the ballot paper within the division, or if there is more than one to be elected, within the divisions, containing the name or

names of the candidates for whom he intends to vote, and shall then fold up such ballot paper so that the initials on the back can be seen without opening it, and hand it to the Deputy Returning Officer, who shall, without unfolding it, ascertain by examining his initials and the number upon the counterfoil that it is the same which he furnished to the elector, and shall first detach and destroy the counterfoil, and then immediately and in the presence of the elector place the ballot paper in the ballot box.

14. Every elector shall vote without undue delay, and shall quit the polling place as soon as his ballot paper has been put into the ballot box.

15. No elector shall take his ballot paper out of the polling place, under the penalty for an infraction of this by-law.

16. The Deputy Returning Officer, on application of any voter who is unable to read or incapacitated by blindness or other physical cause from voting in the manner prescribed by this by-law, shall assist such voter by marking his ballot paper in the manner directed by such voter, in the presence of such agents of the candidates as are present and have subscribed and made the declaration in the form D in the schedule to this by-law and of no other person, and by placing such ballot paper in the ballot box; and the Deputy Returning Officer shall require the voter making such application, before voting to make a declaration of his incapacity to vote without such assistance, in the form following, that is to say:—

"I solemnly declare that I am unable to read and to understand the ballot papers so as to mark the same (or that I am incapacitated by physical cause, as the case may be) from voting without the assistance of the Deputy Returning Officer;"

And the Deputy Returning Officer shall enter on the list of voters opposite the name of such voter, in addition to what is hereinafter required, the reason why such ballot paper was marked by him.

17. The Deputy Returning Officer shall enter on the list of voters used by him opposite the name of each elector voting, the word "Voted," as soon as his ballot paper has been deposited in the ballot box; and he shall enter on the same list the word "Declared" opposite the name of each elector who has made the declaration of qualification, and the words "Refused to declare" opposite the name of each elector who has refused to make such declaration.

18. If a person representing himself to be a particular elector named in the list of voters applies for a ballot paper after another person has voted as such elector, the applicant upon making the declaration in the form E in the schedule to this by-law and otherwise establishing his identity to the satisfaction of the Deputy Returning Officer, shall be entitled to receive a ballot paper, on which the Deputy Returning Officer shall put his initials and a number corresponding to the number opposite the name of such voter on the list of voters: and such person shall thereupon be entitled to vote as any other elector; and a note shall be made of his having voted on a second ballot paper issued under the same name, and of his having made the declaration of identity, as well as of any objections made on behalf of any and which of the candidates.

19. A voter who has inadvertently dealt with the ballot paper given him in such a manner that it cannot be conveniently used, may, on delivering the same to the Deputy Returning Officer, obtain another ballot paper in the place of that so delivered up.

AFTER CLOSE OF POLL.

20. Immediately after the close of the poll the Deputy Returning Officer shall, in the presence of such of the candidates and their respective agents as are present, open the ballot box and proceed to count the number of votes given for each candidate; and in so doing he shall reject all ballot papers which have not been supplied by him, all those by which votes have been given for more candidates than are to be elected, and all those upon which there is any writing or mark by which the voter could be identified, except as hereinbefore provided for. The other ballot papers being counted, and a list kept of the number of votes given to each candidate and of the number of rejected ballot papers, all the ballot papers indicating the votes given for each candidate respectively shall be put into separate envelopes or parcels; and those rejected, those spoiled, and those unused shall be put respectively into separate envelopes or parcels; and all such envelopes or parcels being indorsed so as to indicate their contents, shall be put back into the ballot box.

21. The Deputy Returning Officer shall take a note of every objection made by any candidate or his agent to any ballot paper found in the ballot box, and shall decide every question arising out of the objection;

and every such decision shall be subject to reversal on reference to the Returning Officer. Each such objection shall be numbered, and a corresponding number placed on the back of the ballot papers and initialed by the Deputy Returning Officer.

22. The Deputy Returning Officer shall make out a statement of the accepted ballot papers, of the number of votes given to each candidate, of the rejected ballot papers, of the spoilt and returned ballot papers, and of those unused and returned by him; and he shall make and keep a copy of such statement, and inclose in the ballot box the original thereof, together with the list of voters used by him, and a certificate thereon of the total number of persons who voted, and shall also inclose in the ballot box such other lists and documents as have been used by him at such election; and he shall then lock and seal the ballot box and deliver it to the Returning Officer.

23. Each candidate or his agent shall be allowed to take a copy of the statement mentioned in the last preceding section of this by-law before it is enclosed in the ballot box.

DECLARATION OF RETURN.

24. The Returning Officer upon receiving the respective ballot boxes shall forthwith proceed to open them at the City Hall, in the presence of the respective Deputy Returning Officers, candidates and agents, if present, and of at least two electors, and to examine the statement of the Deputy Returning Officer, and to re-consider and either confirm or reverse every decision of the Deputy Returning Officer which is referred to him by any candidate or his agent, and to declare elected the respective candidates who are found to have a majority of votes.

25. The Returning Officer shall, within 48 hours after the close of the poll, deliver to the Registrar of the Supreme Court of British Columbia at Victoria, and to the Clerk of the Council at the City Hall, a return, in the form E in the schedule to this by-law, of the result of the election; and the signature of the Returning Officer to such return shall be attested by a Justice of the Peace.

PRESERVATION OF DOCUMENTS.

26. The Returning Officer shall also deliver to the Clerk of the Council, with his return, the ballot boxes and ballot papers, the original statements of the several Deputy Returning Officers hereinbefore referred to, together with the lists of voters used at the several polling stations, and all other lists and documents used or required at such election, or which have been delivered to him by the Deputy Returning Officers.

27. The Clerk of the Council shall retain in his possession the papers delivered to him by the Returning Officer with the return, for at least one year, if the election is not contested, and if the election is contested, then for one year after the termination of such contestation. No ballot paper so retained shall be inspected by any person except under the rule or order of a Judge of a Superior Court; but all other papers so retained may be inspected at all reasonable times by any person upon payment to the Clerk of the Council for the use of the Corporation of a fee of \$1 for each such inspection.

PENALTIES.

28. Every person who (a) without authority supplies any municipal ballot paper to any person, or (b) wilfully puts into any ballot box at a municipal election any paper other than the ballot paper which he is authorized to put in, or (c) takes out of the polling place at a municipal election any ballot paper, or (d) without due authority destroys, takes, opens, or otherwise interferes with any ballot box or packet of ballot papers then in use for the purposes of a municipal election, is guilty of an infraction of this by-law, and shall be liable to a fine not exceeding \$250, or to imprisonment, with or without hard labour, for a term not exceeding three months.
